Product Overview

Thank you for purchasing our  
Suprabeam Q1mini.  
It combines micro size and extreme  
power making it ideal for precise and  
professional use.

-----  
We do our best to make the products  
meet our high standards.

Should you unexpectedly encounter  
problems with the product, please  
contact your local Suprabeam dealer.

-----  
Dispose this product in an environmen-  
tally compatible manner in accor-  
dance with national regulations, if in  
doubt about correct disposal please  
contact your municipal authority that  
can provide information about correct  
disposal.

We highly recommend using  
Premium type batteries only to  
ensure high quality light output and  
long lighting time. We can not guar-  
antee the light data if using battery  
types of lower quality

*To protect the environment, this  
product is compatible with  
rechargeable batteries 1.2-1.5V  
(not Li-Ion 3.7V)*
